GLEN BROTHERS INC.

FAIRPORT, N.Y.

For the past eighty four years "From Glen Brothers, Inc." has been a guarantee of first quality stock, true to name, handled and packed right, delivered to customers in the best possible condition. We point with pride to the ornamental trees and shrubs in private and public grounds, parks and streets; the roses and plants growing and blooming in garden and house, the beaming orchards in every fruit locality for evidence in regard to how well we have succeeded in our endeavor to produce the best. The weather conditions which exist in our locality of the country are extremely favorable for the production of hardy, robust trees and plants, which enables us to offer the choicest nursery stock with entire confidence to planters in all sections of the country.

The prices quoted herein are F. O. B. Fairport, N. Y., unless otherwise noted. Orders will be shipped this Spring at proper planting time in your locality.

Terms: Cash with order. C. O. D. orders will be filled provided one quarter of the amount is sent with the order. Accounts will be open to those who offer satisfactory references.

Guarantee. We guarantee our trees and plants to arrive in a field fresh condition, and to be as represented and invoiced for in grade and quality. If upon arrival these conditions are not apparent, immediately repack and return shipment to us Express Collect, and we will either send you new stock, or refund your full purchase price. We also guarantee satisfactory results from our stock.

FRUIT TREES

Our fruit trees are considered the hardiest and sturdiest in the country. They are inspected each year for "Trueness to name" and are disease free. We sell thousands of them each year to orchard men and home owners, and many are sold through repeat orders from satisfied customers, which is the best test of all. Place your order from the following list of apples, cherries, peaches, prunes, pears, quince, and apricot.

BEARING AGE FRUIT TREES: Big, sturdy, five and six year old trees, standing seven to nine feet tall. These trees will produce fruit blossoms this very spring. Grown expressly to save you time in waiting for delicious fruit. They have given great satisfaction to our many customers who have ordered them in the past.

Apple varieties: McIntosh, Red Delicious, R. I. Greening, Yellow Transparent, Cortland, Red Rome, Red Spy, - all nice eating and baking varieties.

Pear varieties: Bartlett, Buerre Bosc, Seckel, Clapps Favorite.

Apricot varieties: Early Golden, Moorpark.

Plum and Prune varieties: Abundance, Burbank, Fellemborg, Stanley.

Sweet Cherry. Napoleon, Black Tartarian

Sour Cherry. Montmorency.

Prices for Bearing age Trees; \$3.75 each, 3 trees for \$10.50, 10 trees for \$30.00

NUT TREES CONTINUED

✓ BLACK WALNUT TREES. Their richly flavored nuts are prized for eating out of hand and for use in cakes, cookies, ice cream and candies. The trees develop into beautiful shade trees. Also, very rapid growers.

PRICE FOR FOUR YEAR HEAVY TREES: 5-6 ft. tall \$2.95 each.

✓ ENGLISH WALNUT TREES. An exceedingly handsome tree for the lawn. Fast growing, and produce large crops of thin-shelled nuts, which are always in demand at a good price. Trees which we offer are grown from seed produced from trees in our hardy climate.

PRICE: 4 yr. trees, 3-4 ft. @ \$3.95 each., 3 trees for \$10.50

SHADE TREES. Valuable attributes to home ground beauty and comfort.

Norway Maple. Fastest growing of the hard maples. Excellent for street planting and home grounds. Forms handsome, spreading head; leaves are large, somewhat deeper in color than those of the sugar maple, turning pale yellow in Autumn. Price for 6-8 ft. tall, heavy caliper trees \$4.50 each; 8-10 ft. trees \$5.50 ea.

Silver Maple. Rapid growing, wide spreading; bark smooth and gray; leaves bright green on upper surface, silvery white beneath. Succeeds almost anywhere. Price for 6-8 ft. trees \$3.50, 8-10 ft. trees \$4.50.

Chinese Elm. Fastest growing tree we have ever known. It has more speed in growth than the soft silver maple. Small dense foliage which gives an abundance of shade. Grows to height of 40 feet. Price for 6-8 ft. trees \$3.25; 8-10 ft. trees \$4.50

Babylonica Weeping Willow. Very rapid growing tree. Graceful weeping branches add a picturesque note to any pool, bank, or stream. Price for 6-8 ft. trees \$2.50; 8-10 ft. \$3.50.

Lombardy Poplar. Tall, spire-like outline, prominent among other trees. Makes rapid growth and excellent wind break. Price for 6-8 ft. trees \$1.50 ea., \$10 per 12 trees. 8-10 ft. trees \$2.50 ea.

FLOWERING CRAB TREES

✓ Malus Hopa Crab. Grows 10-15 ft. tall. Produces large single, red flowers in quantity, followed by red and apricot-tinted fruits. Foliage has a reddish purple tint. Fruits make delectable jelly.

✓ Malus Eleyi Crab. Produces thick clusters of rich red blossoms before the foliage appears. The flowers are followed by small dark red fruits. Foliage has a red hue.

PRICES FOR ABOVE VARIETIES. Two yr., 5-6 ft. trees \$2.50 ea., 3 for \$7

Malus Bechtels. A charming small tree. Produces double pink flowers which resemble roses. Price for 3-4 ft. trees \$2.25

CORNUS FLORIDA ALBA. White flowering dogwood. Medium size tree, growing to 15 feet high. The flowers are displayed on wide spreading branches before the leaves appear in spring. Red fruits and scarlet foliage are ornamental in Autumn. Price for 3-4 ft. trees \$2.50 ea.
